Say It With Music

As students of Hawthorne High School look through the pages of this year-book, the Ephebian staff hopes that this musical edition has captured for everyone the desirable memories and happenings of the 1952-53 school year.

The staff selected the theme of "Say It With Music" as it reflects many different tempos in our American living. We hope the song titles that appear in these pages will help you to remember some of the happy times at Hawthorne High

Dedication

"FOR YOU"

Miss Dicker—To many people this name signifies a variety of things. To the school at large, she is one of our finest educators, a gracious counselor, and an understanding friend. Being the girls' vice-principal these first years of our new and growing school, she has proved a great aide and friend to many of the girls who have come to her for advice. In a group she is noted for her wonderful sense of humor. She truly enjoys living.

It is in recognition of her outstanding qualities and her numerous services beyond her assigned duties as teacher and girls' vice-principal, that we are proud to dedicate the 1953 Ephebian to
